

Safety Officers update

15th March 2016

What has happened in the past year

University of Cambridge
Occupational Health & Safety
Service

2015

- Engineering Services Contract placed with Bureau Veritas
- CDM check list updated
- Work at height training continued
- Construction site HS Inspections started
- Hazardous waste contract now with Biffa
- 15 Chemical Safety Audits completed

2015

- Moved to Greenwich House
- Now part of the Health and Safety and Regulated Facilities Division
- Still keeping HS a high profile in the Old Schools
- Taken over the Licencing for the HTA

2015

- EA visits to Radiation labs successful
- Handling of radioactive waste now transferred to Grundon's at Heathrow
- Biological Safety Practitioner course up and running
- HSE taking a hands off approach

What we are doing is nothing new

- Lord Robens Report 1972
“those who create and work with the risks must management them”
- Health and Safety at Work Act 1974
“reasonably foreseeable risks must be managed as far as reasonably practicable”
